\*\* All boats have life jackets, fish finders, anchors, nets, and one tank of gas. If you need more gas, simply ask for however many gallons you need, and we will fill you up and put that amount on your bill. We use only premium non-oxy fuel at the docks.

## ICE SEASON

Ice Houses	Number of Holes	Comfortably Seats	Price
Black	6	2-3	\$150/day
Red	6	2-3	\$150/day
White	10	4-5	\$200/day

\*\* Ice houses are subject to availability, ice conditions, and weather conditions. We cannot guarantee availability, so it's best to have another plan. The best fishing success on Bowstring Lake is a portable fish shelter. You should have a 4WD truck to get you out to our houses or use our ice roads. We are not responsible for you once you leave land. **NO ICE IS SAFE ICE.**

Our ramp will only accommodate single axle ice houses because of its steep slope. Lake access fees are \$20 per vehicle and \$10 for ice houses/trailers. For park and ride, access is \$20 per vehicle which includes your parking, use of our roads, and use of our heated fish cleaning room. 3-day weekend passes are \$50 for vehicles and \$75 for vehicles and ice houses. 3-day passes are vehicle specific.

Our road system goes ½ mile South and creates a loop around a 30-foot hole, North ½ mile around a small rock pile, and North 2 miles to Perch Point. **SPEED LIMIT IS 10MPH!**
